Property Description

Casa Libelula is located in the G section of our beach community walking distance to some of the top restaurants in our community and a very short walk to the surf. Casa Libelula is a 4 bedroom home sitting on .39 Acres with mature tropical garden, private pool and rancho area perfect for entertaining guests or lounging around after a fun day at the beach. The main floor has a beautiful wrap around porch with access to 2 of the main bottom floor bedrooms. The house was custom designed with beautifully detailed touches from the owners down to the hammered copper sinks, granite counters, Italian porcelain floors and all-natural teak wood for staircase railings and ceiling rafters. The large kitchen flows into the spacious living area out to the patio and garden giving this beautiful home a very open feeling and great airflow. The second floor has a private living room perfect for afternoon reading or for guests and friends to gather.
